Faberge Egg Pendant

Faberge Egg Pendant Alloy of metals, enamels, Strass -

Dimensions: 20 x14 mm

For a long time, the Fabergé Eggs are surrounded by an aura of supreme beauty, mystery, luxury and perfection.

To have an original is almost impossible, absolutely out of price and reserved for an elite of fortunate initiates. Then imagine you to have one on your neck!! Today it is possible thanks to our contemporary line of pendentive in the style of "Fabergé Eggs". These very worked eggs are manufactured in Russia in Saint Pétersbourg by one of the rare authorized factories which produce today the splendid copies of works of Fabergé. An object that you will have really pleasure to carry, to look under all the seams and which will make the admiration of all your friends.
