**Manufacture :-** Pavlov Possad

**Origin :-** Moscow Among the universally known Russian products, the scarves and the shawls of Pavlov Possad occupy a special place:

- The Manufacture of Pavlov Possad (an old city, around Moscow) is classified as a company characteristic of "the Russian national Craft industry" This factory produces each year more than 200 references of scarves, shawls and scarves out of natural fibres: tease, cotton and silk. All the models of scarves are of very neat manufacture, and are divided into three lines of goods:

- silk satin

- crepe of China

- Atlas - The Higher range (heavy quality) Of Traditional or Exclusive range, of modern style or with more traditional floral reasons, typically Russian, these Scarves will get great satisfactions to you during long years and involve a reasonable investment that you will never regret. Each Shawl or scarf is accompanied by the label by manufacturing, and is delivered in its packing of origin.
